

## Faculty Positions in Clinical Psychology

### KOÇ UNIVERSITY

Istanbul, Turkey

[www.ku.edu.tr](http://www.ku.edu.tr)

The Department of Psychology at Koç University invites applications for either full-time research faculty or instructor positions in clinical psychology to commence in Fall 2024 or Spring 2025. For both types of positions, the candidates are expected to have a Ph.D. or PsyD in clinical psychology. Clinical psychology faculty candidates are expected to have research programs. Instructors are not required to have a well-established research program. Both groups of clinical faculty are expected to teach undergraduate and graduate level courses in clinical psychology in English, supervise clinical practicum in Turkish, and advise MA theses. The Department of Psychology at Koç University offers a broad curriculum as indicated on the website (<https://cssh.ku.edu.tr/en/academics/psychology/curriculum/>). All faculty members, including instructors, are expected to participate fully in departmental responsibilities, including student advising.

Located in Istanbul, Turkey, Koç University is a highly reputable English instruction university. Students typically rank in the top percentiles of Turkish high school graduates.

This position will stay open until filled. Applications will be reviewed starting **April 30, 2024**.

Interested applicants should submit applications **electronically in PDF format** to the email address below. Please submit the following documents:

- Cover letter
- Curriculum vitae
- A statement of teaching philosophy
- Any evidence of excellence in teaching (if available)
- A statement of clinical practice
- A research statement (for research faculty applications)
- The names of two references

Please address all questions and correspondence to Ms. Cemre Kıratlı (Email: [CKIRATLI@ku.edu.tr](mailto:CKIRATLI@ku.edu.tr))
